## Small Group Questions:

1. Can you think of a skill that you have learned recently that took time to acquire? What process was necessary for you to ultimately learn it?
2. Pastor Eric made the statement: *this prayer is the hinge of the book of Ephesians, linking the theology of the first part with the practical action of the second half.* Why might this prayer be important and strategically placed here?
3. Have you ever experienced the Holy Spirit strengthening you in your inner being? How did that occur?
4. How would these words have encouraged the original hearers? What encouragement can we draw from this passage in our context?
